

Proposals for Amendment of the Drawings:

Applicant proposes the addition of Figures 12-16. A copy is attached to this paper.

REMARKS

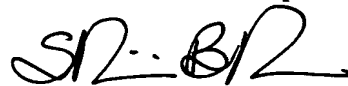

Subsequent to Applicant's response dated October 31, 2006 to the Official Action of August 4, 2006, Applicant has recently become aware that the new drawing sheets containing Figures 12-16 had inadvertently not been clearly identified with the label "NEW SHEETS" in accordance with 37 C.F.R 1.121(d).

Applicant therefore now encloses new sheets of drawings containing Figures 12-16, correctly labelled as required by the Patent Office.

Also enclosed is the sum of \$60.00, the fee payable upon requesting an extension for a response within the first month under 37 C.F.R 1.17(a)(1)

In view of the foregoing amendment, Applicant respectfully submits that the application is now in good order for allowance and requests that such action be taken.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "SR. B/R", is written over the closing text.
